

Qualified Tip Deduction Worksheet (fillable)

For use by independent workers (Schedule C)

Taxpayer Name _____ Business name if different _____

Use this form if you receive tips in your business, you have a Social Security number that is valid for employment, and you are not married filing separately. If you have more than one business with tips, complete a separate worksheet for each business.

Occupation in which I get tips _____ Code # from page 2 _____

To claim the deduction, the tip must be included on a Form 1099 that you received. If a tip is not included in the amount reported on a 1099, it cannot be used for the tip deduction.

The tip must have been paid voluntarily and not required. List only those tips for which you have evidence, such as receipts, point-of-sale system reports, daily tip logs, third party settlement organization records, or other documentation of the voluntary tip.

Taxpayers must retain the documentation to support their tip deduction.

List your 2025 qualified tips based on the tax form on which they are reported →

Voluntary tips included on	
Form 1099-NEC	\$
Form 1099-MISC	\$
Form 1099-K	\$
Total Tips	\$

For Tax-Aide Use

After making the calculations on this worksheet, enter the allowable tips deduction on Sch 1-A and enter a negative QBI adjustment on the Sch C screen as described below.

If multiple Schedule Cs, complete this section for each business separately

Sch C, line 31 for the business on this worksheet	(a)	\$
Self-employment tax deduction for this business [7.06% of (a) if (a) is at least \$433; otherwise enter SE tax deduction allocable to this business, if any]	(b)	-
Self-employed health insurance deduction for this business	(c)	-
Net income limitation for tips deduction [(a) less (b) and less (c)]	(d)	= \$
Total Tips from 1099 forms above	(e)	\$
Lesser of (d) or (e): Qualified Tips Deduction	(f)	\$

- Add line (f) amounts for all businesses on the return. Enter that total on the *Additional Deductions>No Tax On Tips* screen in the "Qualified tips included on Form 1099...", field. TaxSlayer will apply the limit of \$25,000 per return.
- Make the following entry separately for each Schedule C: Enter the line (f) amount for the Sch C as a **negative** amount at *Schedule C > Qualified Business Income Deduction > Qualified Business Income Adjustment Amount*, **but no more than** the amount included in Sch 1-A, line 13 (apportion line 13 between multiple Sch Cs). However, if this tax return also has a W-2 tips deduction, the QBI adjustment is further reduced (see NTTC 4012 page F-18).

Treasury Tipped Occupation Codes and Titles

See [IRS.gov/TippedOccupations](https://www.irs.gov/TippedOccupations) for a table that includes occupation descriptions and examples.
